

Eco Cleaning Solutions

**Bringing Value to Your Office
and Commercial Buildings.**

An office/commercial building is more than just a place of work. A state-of-the-art office impresses visitors and positively influences employees and boosts their productivity, but that cannot be if it is dirty.

With **ECO CLEANING SOLUTIONS**, your office will be cleaned solely with eco-friendly products that ensure the safety of your employees as well the environment, while transforming your space into the pristine state.

Eco Cleaning Solutions, LLC is an office and commercial cleaning company based in Evansville, Indiana. We offer exceptional commercial & office cleaning services. Our commitment is to bring the needed luster and aesthetics to your offices without interrupting your day-to-day activities. We clean offices, as well as showrooms at the most affordable price possible without compromising on the quality of service delivery.

► Our Services

Routine Cleaning Services

These include Sweeping/Vacuuming, Wet Mopping, Trash Take Out, Bathroom Cleaning, Bathroom Restocking, Lunch/Break Room Cleaning, Cleaning of Microwaves and Stove/Countertops, Cleaning of the Sink, Office Cleaning, and Window & Glass Cleaning. In Office Cleaning, we carefully dust any part of the desk without documents or obstruction and only clean computer monitors if given permission. We also allow you to choose from five different types of personalized cleaner scents including Lavender, Lemon, Peppermint, Tea Tree, and Unscented. Each of these scents keeps the air in your office ever fresh and lovely.

Special Requests

These are typically deep cleaning services including:

- Deep Carpet Wash
- Stain Removal
- Floor Waxing
- Cleaning Under Desks and Cabinets

● Why Us

The core values under which our company is found set us apart. Those values are what we inject into every service we offer.

● Professionalism

We maintain the highest level of professionalism in everything we do – from our cleaning methods, the kind of cleaners we recruit, to the way we communicate with our clients. We are always conscious of cross-contamination while delivering a job. In the same way, we recruit cleaners who are experienced as well as informed in every aspect of our services and who know and adhere to health and safety regulations.

● Eco-Friendly Services

The cleaning products we use are natural and eco-friendly, good to humans as well as the environment. We also constantly prepare our staff on the art and importance of eco-friendliness to ensure that they don't ever deviate from our norm.

● Time Serving Services

One of the major aims of our existence is to save time for our clients; to take care of their office cleaning needs while they focus on other aspects of their work. Quick service delivery is one way we make sure not to deviate from this aim.

● Innovation

In spite of all we know and have achieved, we keep researching, strategizing and looking for new ways of improving our services. Technology has been our trusted ally in this regard.

● Affordable Services

Our services are top-notch and exceptional but they are also affordable. We stand for fairness and, therefore, charge you according to the level of cleaning your job demands and its size.

● More Offers

Not only will you reap the intrinsic benefits in our core values. When you engage our services, you stand to enjoy the following:

- Trust – We offer you services that you can trust; reliable services.
- Prompt response to your calls, requests, inquiries, and messages.
- Friendliness and Respect – Our staff are the most jovial individuals you ever saw but they also have the utmost respect for you and your privacy.
- Attention to details

▶ Contact Us

A dirty office or commercial building first off is an eyesore that reflects badly on your business, and also puts your visitors and employers at serious health risks. The same thing applies if it is cleaned with harmful substances. You sure don't want any of these, Contact Us Now for the proper and safe cleaning that your office needs.
